

# SPONSORSHIP INFO

Thank you SO MUCH for even considering to sponsor the Georgia Mountain Pageants Organization! Sponsoring a contestant to be able to compete in the pageant is giving them an opportunity they may not have otherwise. Our pageant system DOES NOT focus on outer beauty but the beauty God gives us within. We hope to build young women who are confident in their bodies and skin just the way they are.

## Our Purpose

The funds raised from the pageants will go to the Towns County School System. We have witnessed time after time teachers purchasing classroom items with their own money to aid in furthering their students' education. We want the funds to help teachers purchase items for their classrooms and give out senior scholarships who plan to attend college or a trade school after graduation.

## Our Mission

Pageantry is often viewed as something that is focused on beauty and talent alone, but Georgia Mountain Pageants represents something far beyond that for young women in our local community.

As a community-centered non-profit organization, our mission at Georgia Mountain Pageants is to honor and empower young women by fostering self-confidence, leadership, church and community involvement through a pageant experience that celebrates their unique talents, intelligence, and beauty.

Through fun and unique experiences, our hope is to teach and encourage the importance of faithfulness to God, healthy living, goal setting and accomplishment, community service, creativity, leadership and educational achievement all with the ultimate goal of obtaining self confidence and courage, which comes from God.

In all that we do, we want our participants to know that they are loved, valued, smart, important and have the potential to create the life that they dream of. To achieve this, we've designed our pageant events to be a Godly, positive and inclusive environment where every participant can learn, grow, and make meaningful connections with others.

At the end of the day, it's not just about the titles or crowns - it's about how these women grow and what they learn throughout the process.

with love,

*Diane Turpin*

# How it works:

When you sponsor a contestant, We will send an invoice to the mother, who in turn, can forward you the invoice (to be paid via credit card, Paypal, Venmo, CashApp etc.) or you are welcome to mail us a check.

You do not have to pay the entire pageant fee. The standard entry fee is \$125. We offer optional packages for more opportunities to win a large crown.

We encourage the contestant to snap a photo with you or we can schedule a day for our ambassador queens to stop by and grab a picture!

Please send your business logo to the email below with a short description of your business and who you are sponsoring. This will go in our pageant program and our emcee will give business shoutouts throughout the entire pageant day.
